- 2) UF Online updates – Meredith
 - a) Dashboard reports
 - i) The dashboard demographic reports are still accurate Spring data to Meredith’s knowledge.
 - ii) Fall data will update soon.
 - iii) The UF Online Self Service Reports are not currently accurate since it is based on old data.
 - (1) You can still open the reports but the info will not be accurate.
 - b) Handbook changes
 - i) Question: will the handbook update with the Spring 2019 courses?
 - ii) It should, but email Meredith if it does not.
 - iii) The handbook will still exist but more information from the handbook will be moving into the Plaza.
 - (1) Also, links to the prospective students page, and other links that aren’t be used, may be moved.
 - iv) The Plaza will link to the handbook for some of the information that students used to access through the handbook directly.
- 3) Student Success and Engagement – Jeannie
 - a) Plaza demo
 - i) The new Plaza has more capabilities for interaction and customization to each student.
 - ii) If you want to add files to your major groups for your students, please send them to Jeannie and she can add them.
 - iii) This version of the Plaza should run more quickly than the previous version.
 - (1) Students can create their own groups much more quickly as well.
 - iv) All UF Online students will have a non-graded course in Canvas course that links to the UF Online Plaza.
 - b) UF Online Tailgate

- i) November 3rd, 3 hours before kickoff.
 - ii) UFO has 5 pairs of tickets reserved for advisors to give out, for free, to the Missouri game.
 - iii) There will be a drawing for those tickets so keep an eye on your email for more info.
- 4) PaCE – Nicole
 - a) Pace student group
 - i) Their first meeting of the semester is tonight, September 27th, at 6:30PM in Matherly 117.
- 5) Enrollment Management: ROC and One Stop – Melissa/Daniel/Tori
 - a) ROC (Tori)
 - i) There is an application fee waiver for Guild employees so UF can bill the employer directly.
 - ii) Engaging with state colleges for recruitment partnerships.
 - iii) UF Online's programs will be added to the Complete Florida website.
 - b) OneStop (Daniel)
 - i) They are still working on the completed records in the old system, and everything will be in the new system soon.
 - ii) For decision makers in My Admissions: LD applicants with less than 45 credits will be referred to the college, so they will be in your queue in My Admissions.
 - iii) OneStop will be hiring a new admissions assistant since Rabya has moved into a transcript evaluator role.
 - (1) Let Daniel know if you have any questions.
 - iv) Readmissions decisions are going through My Admissions as well.
 - (1) If you don't have access, or have too much access, let Daniel know.
- 6) Marketing/Communication – Kathy
 - a) Guild
 - i) Three main employers: Discover, Walmart, and Disney
 - ii) Students in this program are assigned a Guild life coach, separate from an academic advisor.
 - iii) The life coach is meant to help the employee more with career satisfaction, and helping the student advance in their existing company.
 - iv) These programs are pilots currently and there are opportunities to expand to other majors in the future.
 - (1) If your department/college is interested in being part of Guild, let Meredith/Jeannie/Kathy know.
 - v) For the Disney partnership specifically, it is for hourly employees who did not have access to those benefits before.
 - (1) Includes US theme parks and stores, but not the entities owned by Disney yet (like ESPN, ABC, etc.)
 - b) Vignettes on student success
 - i) If you received an email from Alex about the project to celebrate the 3,000 student milestone, please respond to that email!
 - ii) Not all advisors received this email, so disregard this message if you did not receive that email.
 - c) Fall campaigns for Spring are wrapping up on September 30th.
 - i) UF Online was on Hulu in the state of Florida.
 - ii) UFO was also on Instagram, and that campaign was very successful.
 - d) Student profiles

- i) Whenever a student profile is made, Marketing reaches out to the college communications office for them to use the profile as well.
- 7) Links Orientation – Kris
 - a) Spring Links will go live on November 5th.
 - i) Kayleigh will send out the pages in Links for the colleges to edit their pages.
 - ii) She is also working on scheduling intro videos to be filmed for new advisors.
- 8) Degree Audits, COMPASS – Toby
 - a) The new degree audit is going live to students on October 1st.
 - b) Testing is going on this week with students from the Registrar's Office and UFIT.
 - c) Question: Is the GPA calculation in the new audits accurate?
 - i) No, they are working on correcting GPA issues in the new audits.
- 9) Compass feedback:
 - a) Question: Can a student cancel a SIDA add request?
 - i) Possibly? Check the Enrollment Request Search screen to see if there is history of the request.
 - ii) Daniel is going to look into this further.
