

UF Online Advising Group Meeting
Thursday 3/14/19, 2:00 PM
Presentation Room, Farrior Hall

- I. Attendance: Glenn Kepic, Kevin Bird, Fallen Lee, Daniel Schieltz, Julia Fleming, Jessica ?, Brittany Schambow, Erica Alexander, Dylan King
- II. Approval of 2/14/19 minutes
 - a. Approved
- III. Guest Speaker: Melanie Veige, Director of General Chemistry & Undergraduate Coordinator: UFO Performance and Placement in CHM 1025 and CHM 2045
 - a. (See Handout)
 - b. Highlights:
 - i. CHM1020: UFO student performance has been on average around a B+
 - ii. CHM1030, on average around a B+
 - iii. CHM1025, exam 1,2, and final were on average not passing scores, a lot of Es and Ws. Much lower than residential scores. Earning a B+ in this course is a good indicator of success for CHM2046
 - iv. UFO: more than double the rate of W than campus, more than half had no incoming math credits.
 - v. We need to encourage students to have a math background (at least be able to take MAC1147 as a coreq) before taking CHM1025.
 - vi. CHM2045 math prerequisites are being enforced.
 - vii. Spring 2019 CHM2045: 4/7 Students passing with a C or C+
 - viii. This summer CHM2045L bootcamp, next summer CHM2045L and CHM2046L.
- IV. UFO Announcements
 - a. *Glenn gave announcement on behalf of Jerry:*
 - i. Working on projection modeling for the fall to try to predict course demand. Will not be perfect the first time. Associate Director for Advising and Assistant Director of Marketing searches are moving along. We have completed phone interviews for marketing and working to schedule campus interviews with three finalists. Currently doing Zoom interviews with five candidates for advising position in hopes to bring about three to campus.
- V. Deadlines, Events, Reminders (Glenn)
 - a. Civic Literacy: https://catalog.ufl.edu/UGRD/academic-regulations/civics_requirement/
 - i. Anyone who came in Fall 2018 (summer B FTICs included) needs to meet unless they have their AA degree.

- ii. Classes, test scores, or statewide exam
- b. Disney Events
 - i. Guild event going on 3/14 & 3/15. Glenn and a few others from UFO went to Disneyland event a few weeks ago. Recruited and promoted awareness
- c. Florida Days
 - i. Glenn is presenting for PaCE students, no PaCE tabling at Florida Days.
 - ii. Some colleges are signed up for open-house, some aren't, be ready for PaCE families to come by advising offices
 - iii. PaCE families may just show up without being registered
- d. PaCE International Students
 - i. Issues with student visas for distance learning student. Creating problems for international PaCE student with the international center and enrollment management.
 - ii. If you see an international PaCE students, ref to Deb Anderson in UFIC since these issues supersede everything else, and we [advisors] can't advise them on everything they need to know on this.
- e. Audit Issues
 - i. A few examples were brought up:
 1. Cases of residency not being met in the new system, but was in the old.
 2. Writing Requirement was met even though they did not meet the requirement.
 - ii. Old system audits will be made in to PDFs, other things like applications are also going to be archived in some way by IT. If you have something you know you would like archived, but not sure if it will be archived, let Daniel Schieltz know and he will make sure IT has it on their radar in their meetings. Screen 12 proposed (SASS transcript).

VI. Enrollment Management: ROC & OneStop (Daniel)

- a. PaCE Numbers
 - i. 301 accepted and paid - Colleges with highest numbers below:
 1. Business-96
