III. Reminders

1. Students who do not make at least partial payment (at least \$1.00) of Spring 2016 fees by 11:00 pm, EST on Tuesday, February 2, 2016 will be cancelled from all Spring courses. The re-registration process is a difficult one, especially for distance students so let's make every effort to have these students pay before being cancelled. Note: The Bursar has sent out two e-mail notifications to students who have not yet paid.
2. Beginning in Summer 2016, colleges are responsible for providing information previously included in the welcome calls that were conducted by program coaches. You should have a plan to provide this information either through individual calls, webinars, videos, etc. Follow the links below for a reminder of the type of information that was provided in the past:
