Course Description
This course explores the process of coming of age as a young professional in today’s society. Human civilization has consistently created categorical distinctions between life stages, but what exactly determines “childhood” or “adulthood” has changed significantly. We will look at history, literature, popular culture, and media to investigate the concept of what it means to be an adult today. By the end of this class you will be able to:

• Articulate how concepts of “adulthood” have changed over time
• Identify the ways in which American adulthood is socially constructed
• Distinguish between various representations of markers of adulthood in media and society
• Utilize effective strategies for time management, career development, and financial responsibility
• Describe the civic responsibility of coming of age and its applications
• Articulate a coherent individual worldview

Course Materials
Readings will be provided either in hard-copy or PDF format by the instructor.

Course Assignments

• Autobiography – 40%
• Financial Plan – 20%
• Worldview Statement – 15%
• Informational Interview Report – 15%
• Participation – 10%
**Attendance**

This class meets once a week via Zoom and requires fruitful engagement, so attendance is mandatory. However, life happens. Everyone will be granted one “no questions asked” absence during the semester. Use it wisely. After that, each missed class will decrease your final grade 1/3 of a letter grade (so an A- becomes a B+, and so forth). If multiple absences become necessary, please speak to me. Absences for medical reasons or other extenuating circumstances will be excused with proper documentation.

**Lateness**

Adulthood, I’m fairly certain, involves punctuality, so lateness is unacceptable. You will be considered “late” if you arrive after the scheduled start time for the course. Two instances of lateness will be considered equivalent to an absence and impact your final grade accordingly. Adulthood, however, also involves communication, so let me know if extenuating circumstances will impact your timely attendance for class and we can make appropriate arrangements.

**Late Assignments**

The goal of this course is for you to develop skills, and that development is more important than deadlines or grades. However, submitting work by the posted deadline is crucial. Late work will be accepted up to ONE WEEK after the deadline but will automatically be assessed one full letter grade deduction. As always, please speak to me if extenuating circumstances impact your ability to submit your work in a timely fashion.

**Notes for Students with Disabilities**

Students with disabilities requesting accommodations should first register with the Disability Resource Center (352-392-8565, www.dso.ufl.edu/drc) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

**Grading Policies and Grade Points**

Please refer to the UF Catalog for information on grading and GPA:
https://catalog.ufl.edu/UGRD/academic-regulations/grades-grading-policies/
**Course Evaluations**

Students are expected to provide feedback on the quality of instruction in this course by completing online evaluations at [http://evaluations.ufl.edu](http://evaluations.ufl.edu). Evaluations are typically open during the last two or three weeks of the semester, but students will be given specific times when they are open. Summary results of these assessments are available to students at [https://evaluations.ufl.edu/results/](https://evaluations.ufl.edu/results/)
