IDS4930: Advanced Research Experience

An opportunity for CLAS students of all majors to gain real research experience, explore Gainesville’s history, and study one of the world’s most significant pandemics.

- Research local Florida history from the time of the 1918-1920 Influenza Pandemic
- Learn advanced research methods (no prior research experience necessary)
- Use archival materials from the past to answer new questions
- Collaborate on a class research project to be submitted for publication

Date/Time: Mondays, Period 6 (12:50-1:40) Wednesdays, Periods 6-7 (12:50 - 2:45)  
Delivery: HyFlex  
Class Number: F2F – 25193, Online – 28963
