Alumni Mentorship for UF students in the College of Liberal Arts and Sciences

MentorConnect is a virtual mentoring platform exclusively for undergraduate students in the College of Liberal Arts and Sciences.

This program was developed with you in mind - through this platform, you can book appointments for resume critiques, mock interviews, career consultations, and much more!

Review the steps below to complete your profile and begin requesting consultations.

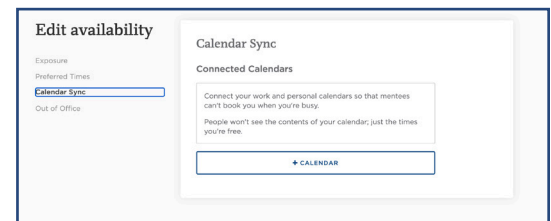

Step One: Join MentorConnect

The invitation email you received from *Beyond120* contained a unique link. Review all of the information included in the email and click the 'Join Now' button. Once you click the link, you will be prompted to agree to the terms and conditions.

Step Two: LinkedIn and Calendar Integration

During the onboarding process, you will have the option to complete the fields manually or log in to LinkedIn to automatically integrate your profile. We recommend having your LinkedIn profile up-to-date and filled with as much detailed information as possible. *Beyond120* offers peer LinkedIn consultations for students interested in receiving an informal profile critique. We also recommend integrating your Outlook calendar so you're always aware of upcoming consultations.

Step Three: Enter Your Career Goals

MentorConnect matches you with alumni based on the information you provide. You will be asked to enter your career goals, which include your desired functions, sectors, employers, or locations. The more detailed you are during this process, the more accurate your alumni matches will be!

Step Four: Join Groups

The "groups" area of MentorConnect allows you to connect with alumni and fellow students via a forum-based format. You can ask questions, share your thoughts, and receive valuable feedback about trends in various industries. If you're interested in a group that isn't currently listed, you can create your own group! Email the *Beyond120* team to request for a group to be created.

Step Five: Reach Out

The alumni on MentorConnect are excited to meet you and help you along your journey. Though reaching out can be intimidating, we encourage you to utilize the MentorConnect message prompts designed to assist you with requesting consultations. Be sure to utilize proper email etiquette when reaching out. This is your time to explore and most importantly, have fun!
