

## Choosing a Major Worksheet: Getting Started

This page lists all the majors available at the University of Florida. Cross out the majors in which you are not interested. Do not eliminate a major just because you do not know what it entails. With the remaining majors, visit the college website and their advisors to learn about requirements, coursework, tracking, admission, advising, etc. Remember to check out the other helpful tips for Exploratory Students at [www.advising.ufl.edu/exploratory](http://www.advising.ufl.edu/exploratory).
