

Choosing a Major Worksheet: Getting Started

This page lists all the majors available at the University of Florida. Cross out the majors in which you are not interested. Do not eliminate a major just because you do not know what it entails. With the remaining majors, visit the college website and their advisors to learn about requirements, coursework, tracking, admission, advising, etc. **For information on how these offices are conducting advising, visit <http://www.ufadvising.ufl.edu/college-advising-contacts/>.**
