

STUDYING ABROAD

Pre-Health Students

Preparing for your future can be challenging and time consuming; however, it should also be full of rewarding experiences and personal growth. The UF Pre-Health webpage highlights seven areas that contribute to the development of a competitive pre-health applicant:

**COMMUNITY
SERVICE**

**HEALTHCARE-
RELATED
EXPERIENCE**

**LEADERSHIP &
INVOLVEMENT**

RESEARCH

**PERSONAL
CHARACTERISTICS**

SHADOWING

A Study Abroad program is a perfect environment to **enhance** and **explore** all of these areas. *What are you waiting for? Study Abroad.*

UF EXCHANGE PROGRAMS

Earn UF GPA credit studying abroad in the fall, spring, or for an academic year with one of UF's partner universities.

This flyer highlights options within **3 types** of study abroad programs. You are not limited to what you find here, it is a place to get started. New programs are created every year!

Start planning your study abroad experience now.

- Discuss your goals for study abroad with your pre-health advisor.
- Visit the UFIC (170 HUB) & learn how to make an appointment with a study abroad advisor.
- Plan to take major electives, minor requirements or other gen. ed. electives.
- Research programs. You can start with the programs on this flyer & on the UFIC website.
- Apply for a passport or check the dates on yours to see if it will need to be renewed.

Interested in a program you see here? Visit our website for details: www.ufic.ufl.edu/sas

NOTE: For ANY program, including Non-UF Programs you MUST apply through the UFIC – Get started here: www.ufic.ufl.edu/sas

REMEMBER...

* If you have questions please talk to a pre-health advisor.

"You should not be testing, diagnosing, treating, or prescribing unless you are a licensed professional eligible to practice in the country you are in. This applies to working with people and animals. Every country has unique laws that govern who can provide parent care."

Note: At the time of printing, it was confirmed that all programs on this flyer follow stated guidelines.
